ENERGY EFFICIENCY INCENTIVE AGREEMENT

Disclaimers: Orcas Power & Light Cooperative (OPALCO) hereby disclaims any and all implied warranties (including but not limited to implied warranties or merchantability or fitness for a particular purpose) and shall not be responsible for any representation or promise with respect to the equipment, materials or labor required for the installation of energy efficiency measures on the premises, or the cost of such equipment, materials and labor.

ADDITIONAL CONDITIONS:

1. Rebate form and documentation must be received within 6 months of completed project.
2. Available to OPALCO residential members. Single family residences, manufactured homes and multi-family homes are eligible. Residential structures must be in a habitable condition with a primary electric heat source. All structures must be on an OPALCO residential electric rate and have an active residential account.
3. Homeowners are responsible for complying with all applicable codes and regulations.
4. Members doing the work themselves (without using a licensed contractor) may be subject to inspection by an OPALCO Energy Advisor at no charge prior to payment of incentives.
5. Incentives less than \$100 are applied as a credit to the member's account; greater than \$100 are paid directly to the member/homeowner by check.
6. OPALCO reserves the right to inspect energy efficiency measures prior to payment and will coordinate inspection as applicable.
7. Please allow 6–8 weeks for processing and payment of incentives.
