

Bonneville Power Administration

Ductless Heat Pump Qualified Products List:

8.0 HSPF minimum for multi-head systems; 9.0 HSPF minimum for single head systems

This Qualified Products List applies to both Residential and Commercial installations.

Please note: If you find an inverter driven ductless heat pump that is not on this list send its AHRI certificate to ResHVAC@bpa.gov so it can be verified and included on the next product list. Other issues with this list should also be sent to ResHVAC@bpa.gov.

*Multiple Interior head installations require manufacture documentation of matching indoor and outdoor model number combinations.

Version 1/1/2017
