

WHoooooo wants to find out what **PHANTOM** energy loads are **HAUNTING** their **OPALCO** bill?

Join us for a hands-on workshop to learn how to use a Kill-a-Watt meter to test a variety of **PHANTOM** load producing devices. OPALCO's Energy Advisors will help you **SPOOK** those loads **OUT!** Your bill will be less scary.

**Thursday, October 25<sup>th</sup>**  
**2:00 - 3:00 p.m.**  
**at the Lopez Library**
