TERMS & CONDITIONS

Complete application must be received within 6 months of the installation date to be considered for incentive. Homeowners must comply with all applicable codes and regulations. Available to all active OPALCO members in good standing (no arrears balance). OPALCO reserves the right to inspect installation and will coordinate inspection as applicable. Rebate is cost reimbursement of charges and fees directly related to the purchase and installation of any Level 2 240 V AC Charging station up to \$500.00. OPALCO is not responsible for any part of the charging station maintenance, power consumption, and any and all implied warranties (including but not limited to implied warranties or merchantability or fitness for a particular purpose) and shall not be responsible for any necessary service repair or upgrades, or representation or promise with respect to the equipment, materials, or labor required for the installation of the appliance on the premises, or the cost of such equipment, materials and labor. Cannot be combined with other OPALCO rebate offerings. Additional conditions may apply. By signing below, the member implies that all information provided is true and accurate to the best of their knowledge.
